About Dockside Restaurant

The Dockside Restaurant offers superbly prepared classic dishes in a setting like no other. Located on the waterfront where Granville Island faces the city, guests can enjoy panoramic views across False Creek to the world-famous cityscape of Yaletown and beyond to the mountains of the North Shore.

The open dining room is relaxed yet refined, wrapped in spectacular floor to ceiling windows, while the lounge offers warm intimate surroundings for evening cocktails. The award-winning patio catches sunlight from morning to late afternoon. Protected on three sides it's an oasis of calm, disturbed only by the occasional sound of boats making their way along False Creek. Recent renovations have added fireplaces and casual seating areas to this Vancouver destination.

These three venues offer seating options that are perfect for groups from 4 to 200. With signature elements like a 50-foot aquarium and an open kitchen, each meal is an experience for all the senses. Located adjacent to the boutique Granville Island Hotel, the Dockside Restaurant is open seven days a week serving breakfast, lunch and dinner. Reservations are recommended.
